

RIVER TO RIVER FESTIVAL 2017 CALENDAR: THE SET UP: ISLAND GHOST SLEEP PRINCESS TIME STORY SHOW*

RIVER TO RIVER

THE SET UP: ISLAND GHOST SLEEP PRINCESS TIME STORY SHOW has been setting itself up for five years now. The multiple dances, co-created by Jennifer Lacey and Wally Cardona are made in collaboration with seven master artists who have dedicated their lives to their respective dance traditions: I Nyoman Catra (Balinese Topeng) Proeung Chhieng (Cambodian), Junko Fisher (Okinawan), Saya Lei (Mandalay-style, classical Burmese), Jean-Christophe Paré (French baroque), Kapila Venu (Indian Kutiyattam) and Heni Winahyuningasih (Javanese refined).

Between 2012 and 2016 each of the dances was created very rapidly, one by one, immediately following an encounter with each master artist. Each dance was made and performed in its own distinct location. Now, for the first, last and only time, the dances—featuring live music by Jonathan Bepler, Reiko Fueting and Megan Schubert—will be presented on Governors Island over the two weekends of the River To River Festival, along with performances by some of the master artists themselves.

When arriving on Governors Island for any of the following performances, **please check in at the Resource Room: Island**, a re-purposing archive room and meeting place for all events **located at LMCC's Arts Center at Governors Island in the Upper Level Classroom**. Performances will take place at various sites and guests will be escorted from this meeting point.
